

# APPRENTICESHIPS

Apprenticeships are one of the many paths you can take after finishing school and is becoming evermore popular. You can start earning right away and have dedicated time for studying and learning.

## What is an apprenticeship?

A real job that combines practical training in your role with study where you will:

- Work with experienced staff
- Gain job-specific skills
- Earn a wage and get paid holiday
- Given time for study related to the role in work hours
- 80% of your time is spent at work and 20% studying and working towards a qualification
- Can take from 1-6 years to complete depending on the level

## What levels are there?
